Go-to market

For PHARMACIES

- Direct Field Sales & Cold Calling targeting independent pharmacy managers.
- 1-Month Free Pilot Program to prove patient retention and ROI.
- Warm Intros through our affiliated medical network.

For PATIENTS & CAREGIVERS

- Zero CAC "Pharmacist Portal": Direct SMS invite link sent by the pharmacist at the counter.
- Organic Community Growth: Partnerships with chronic illness support groups (e.g., Diabetes communities).
- App Store Optimization (ASO) for organic searches.

Business model: B2B SaaS + B2C Freemium

1. B2B (The Pharmacies)

- 100 RON/mo (Starter - up to 50 patients)
- 500 RON/mo (Pro - up to 300 patients)

2. B2C (Patients & Caregivers)

- 10 RON/mo (Premium: Unlimited, WhatsApp Alerts)
- Free (Freemium + AdMob)

B2C Customer Acquisition Cost (CAC): 0 RON (via Pharmacist SMS Portal)

Roadmap

Q2 2026 (Next 3 Months): The Pilot

- Launch MVP in our 1st validated pharmacy.
- Test AI OCR accuracy & patient retention loop.

2027: National Scale

- Target the 4,000 independent pharmacies (SOM).
- Integrate with clinics / Electronic Health Records (EHR).

Q3 - Q4 2026: Monetization & Expansion

- Reach 10 paying B2B pharmacies.
- Roll out B2C Premium (WhatsApp Alerts).
